

16-2-2015, the House of Wisdom Institute held conference entitled Palestinian National Dialogue Forum to discuss possibilities...

of reaching the Palestinian unity and reconciliation, representatives of all Palestinian factions and Parties attended and participated in the discussions. The forum was held in cooperation with Partners for Peace and Development for the Palestinians Foundation and the National Reconciliation committee.

At the beginning of the forum Dr. Jamil Salama from the National Reconciliation committee opened the sessions of the forum by describing the general situation of the Palestinians, Dr. Jamil said that Palestinians begin to lose their patience in the face of the stuck reconciliation agreement.

At the end, the forum came out with certain recommendations as follows:

-□ The necessity and importance to agree on national transitional program accepted by all factions.

-□□ Forming pressuring group to force the parties to abide by what they agree on.

-□□ The impact of division is affecting all aspects of Palestinian life and therefore, Palestinians have to end it.
